

SIMPSON ROAD CORRIDOR REDEVELOPMENT PLAN UPDATE OVERVIEW

Why doing the plan and what is the plan update about?

- Simpson Road is one of the 6 Economic Development Priority (EDP) areas identified through the Mayor's New Century Economic Development Plan.
- There is need to look at the corridor based on its strengths and weaknesses and develop strategies to facilitate development opportunities.
- The update will address land use, zoning, urban design, market analysis, transportation, & economic development issues along the Simpson Corridor.

What is the study area?

- The study area is along Simpson Road from H. E. Holmes Dr. to Northside Dr.
- All the parcels fronting Simpson will be studied in detail with the area of influence being considered.
- The area includes the 1995 Simpson Redevelopment Plan area and an extension to H. E. Holmes Dr.

How can you participate?

- The Bureau of Planning and consultant will hold a series of public meetings and focus group meetings for the study
